

## Juror Qualifications and Membership

American State Nationals are asked to fulfill their duty to their REAL government. We are requesting that you serve as a Jural Assembly Member. Jural Assembly Members are volunteering to preserve their land jurisdiction States and their Court Systems – without which there is no country and no private ownership of anything. It is expected and encouraged, that, unless you are incapacitated and cannot serve as a Juror, that you will volunteer to become a Jural Assembly Member at such a critical time in the history of America. The Nevada Assembly needs 26 Jural Assembly Members in order to have our elections and fill our public offices. This will allow us to move on to the next step, which is creating our State of State Organizations which will enable us to call our first Continental Congress.

A State National has no obligation to the Government, whereas a Citizen has an obligation to his or her State so long as they are serving in a Public Office, such as Juror. Their obligation may be relatively temporary (as when actually serving as a Juror) or for a Term in Office, like a Justice of the Peace or a Coroner.

The following is a list of requirements in order to qualify to become a member of the Nevada Jural Assembly. For specific instructions on how to complete these steps correctly, visit [www.nevadaassembly.org/correct-your-status](http://www.nevadaassembly.org/correct-your-status) or [www.theamericanstatesassembly.net/correct-yourstatus](http://www.theamericanstatesassembly.net/correct-yourstatus).
